

Derby High School Athletic Hall of Fame

The Derby High School Athletic Hall of Fame was started in 2015 by a group of dedicated volunteers whose purpose is, *"...to increase awareness of the rich and storied history of Derby High School Athletics and the outstanding players, coaches and other relevant personnel who have represented the school and community with pride and dignity over the years.*

We feel that part of our mission is to honor those deserving of recognition. It has also been a stated intention of our membership to re-cultivate a sense of community that has seemingly been lacking of late.

By introducing new generations of Derby youth to the history of its many sports triumphs, perhaps a grassroots interest in continued success will take hold."
